

sfc\_gen::shortCut

```
graph LR; A[sfc_gen::shortCut] --> B[geo_utils::overlap]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'sfc\_gen::shortCut'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'geo\_utils::overlap'. Both boxes have a black border.

geo\_utils::overlap
